Групп делится на две команды:
“English Fog” и “Russian Frost”

Dear friends! Today is our last lesson on the topic “Weather”. It’s a well-known fact that the English adore speaking about the weather, which is considered to be very changeable in Britain. We worked hard on this very interesting topic and now it’s the time to show the results. I hope you’ll do your best during the game. As usual I’ve divided you into two groups, I wish you good luck and ask you to remember that fortune favours not only the bravest but the cleverest.

1. Make up sentences from the following words:

a)

1. It, cold, in, usually, is, winter.
2. It, hot, in, always, is, summer.
